

Mitton Hall

Dream Weddings

Mitton Hall is a magnificent 15th century manor house set in its own grounds in the rolling countryside of the Ribble Valley.

The ancient architectural features are complimented superbly by the contemporary interior design. It is steeped in history and yet bang up to date at the same time.

Without a doubt Mitton Hall provides the perfect location for the Wedding of your dreams.

To help make that dream become a reality we have composed a wedding package that brings together all of the most important aspects of planning the ceremony and the reception and allows you to very easily see how much the day of your dreams is likely to cost.

Also included in the package is something that is very difficult to describe and impossible to put a value on. It is the ambience and atmosphere of Mitton Hall, created as much by the fabulous interior design the crystal and candles, the roaring fires and fresh flowers of today as it is by the many years of history that you feel as soon as you arrive.

The dream wedding package is by no means all that we do or can do at Mitton Hall but we are sure that you will find this to be a superb starting point in planning your day. We are also sure that you will find it to be exceptionally good value too.
